

What if? What if? What if?

1. What if.... nobody cared?

Around the world:

- ◆ More than 6 billion people in 237 countries speak 6,528 languages and half of them have never heard the truth about Jesus and who He is!
- ◆ Around 1.1 billion people have very little chance of ever hearing the Gospel. 12,000 different people groups have never heard the Gospel!
- ◆ At least 2,000 languages still have no Bible translation!

But there is some good news

Around the world:

- ◆ About 120 million people are presented with the Gospel for the first time each year!
- ◆ It is estimated that 270 people become followers of Jesus Christ every 5 minutes!
- ◆ Slavic Gospel Association works in 12 of the countries of the world where around 190,000,000 people live!

2. What if.... my church was not interested?

- ◆ What if my church did not give to and pray for missionary work around the world?
- ◆ What if my church did not receive prayer requests and items of praise from around the world allowing people to pray more intelligently?
- ◆ What if my church did not hear news about what God is doing to meet the needs of others in the world?
- ◆ What if my church had no interest in missionaries, or helping to plant new churches or seeing nationals trained to take the Gospel to their own people?

3. What if.... I were to do nothing?

- ◆ What interest do I have in missionary work ?
- ◆ What part of the world am I interested in?
- ◆ How can I begin to make a difference in world mission?
- ◆ What can I do to become better informed about an area of the world I can pray for regularly?
- ◆ What other things could I do to be involved in mission?
