

# WHERE IN THE WORLD?

Slavic Gospel Association (SGA) works in Central and Eastern Europe and Central Asia - but do you know what countries you will find there?

Below is a puzzle made from the names of the countries where SGA work. From the list can you try to find which country goes where to complete the puzzle?

The Countries are:

**Bulgaria, Croatia, Czech, Hungary, Kazakstan, Macedonia, Moldova, Poland, Romania, Serbia, Slovakia and Ukraine**

**Further activity:**  
 Get an atlas and try to find each of the countries listed above. Choose one of them and see how much information you can discover. 'Operation World' by Patrick Johnstone would be a good book to use.
